

# CD Splitter

## CD Splitter

The CD Splitter has been designed to extend the distance of the Countdown numeric displays and to multiply the amount that can be attached.

This 1x4 active Splitter allows more Numeric displays from one output of the controller to be driven and can increase the distance when used mid point. This small distribution unit re-drives the RS232 and 12V needed for the numeric displays

## Main Features

- 4 outputs
- Active splitter
- Greater cable distance

## 3 Year Limited Factory Warranty

### Specifications:

#### Signals:

RS232 and 12V DC in and out

#### Control Switches:

none

#### Connections:

1x Female XLR input  
4x Male XLR output

#### Dimensions mm (inch):
